TAKE ACTION FOR STUDENT SPORT

RAINBOW LACES IS 10 YEARS OLD. LACE UP TO KEEP IT UP.

Our Student Sport Workshops were launched after popular demand– it's clear that students are keen to step up for LGBTQ+ inclusion in sport. Since 2020 we have supported over 400 students embed inclusive practice within their Sport Clubs and prepare them for graduate employment.

We know that being on a Sport Club committee is about more than administrative skills or on-pitch leadership. **Great student leaders are aware of how inclusive environments can benefit all club members**, and how actively standing up for inclusion can positively impact their wider communities.

Support your Clubs and Committees this year with CPD-accredited workshops designed specifically for Student Sport.

Why keep it up for LGBTQ+ inclusion?

Two in five LGBTQ+ students (42%) have hidden their identity at university for fear of discrimination

One in eight LGBT people (12 per cent) avoid going to the gym or participating in sports groups because of fear of discrimination and harassment
